District of Columbia — Individual Income Tax Forms

This package contains the following: Form D-40 and D-40EZ — Schedules A, B and H

IMPORTANT MESSAGE TO TAXPAYERS

The Federal Tax Reform Act of 1986 contains the most sweeping tax law changes in many years. This new law will phase in many changes for tax year 1986 and several years to come.

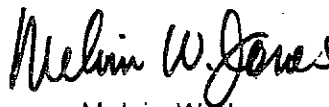

The District of Columbia will adopt the individual income tax changes contained in the first phase of the new Federal tax law. We will also adopt a new income exclusion to benefit District taxpayers who are D. C. Government or Federal Government Retirees (see below).

Before you prepare your District of Columbia Individual Income Tax Return, you must first complete your Federal Income Tax Return. The major changes in your D. C. taxes for tax year 1986 are included in the computation of the Federal Adjusted Gross Income Total. It is this amount which is carried over to the District Individual Income Tax Return. You need not make any other adjustments to your income. If you are not required to file a Federal Income Tax Return, you still must compute your Federal Adjusted Gross Income, so that you can complete your District Individual Income Tax Return.

It is, therefore, particularly important that you carefully review and follow the instructions when preparing your Federal Income Tax Return. If you do not prepare your own tax returns, you should choose your tax preparer with great care. Changes planned for later years (tax year 1987 and after), which may affect your filing of District income tax returns, will be announced at a later time.

One of the most significant changes in the Federal Tax Reform Act of 1986 concerns those taxpayers who retired from the District of Columbia Government Service or Federal Civil Service after July 1, 1986. These retirees will find that a portion of their retirement income may be taxable. The District of Columbia will conform to the Federal treatment of pensions and annuities. However, the District will allow a pension or annuity deduction of up to \$3,000 for certain qualified taxable Federal and District retirement income. For additional information and a worksheet, please see Page 5 of the instructions in this booklet.

The District of Columbia will continue to provide numerous taxpayer assistance services. For a list of these services, please see the inside front cover of this booklet. We will also continue to give prompt attention to the processing and mailing of all income tax refund payments. In order to assist taxpayers with the preparation of their returns during the peak filing period, information regarding the status of 1986 refunds will not be available before May 1, 1987.

DISTRICT INCOME TAX HIGHLIGHTS

With the passage of the "Federal Tax Reform Act of 1986" there are a number of changes which will affect the filing of your Federal tax return. Since the District has adopted these same changes for 1986 the carry-over of your Federal Adjusted Gross Income to the District return will encompass these changes. Although you can find a detailed discussion of these changes in your Federal tax instructions, we have included the key provisions affecting your District return in the message on the front cover of this booklet. If you need additional help, please see page 3 of these instructions on how to obtain assistance.

For 1986, the District allows an exclusion from the gross amount of pensions and annuities of Federal and District of Columbia retirees. See page 5 of these instructions, to see if you qualify for this exclusion.

For 1986, the District of Columbia continues to offer a Short form (D-40EZ) for certain qualified taxpayers. Form D-40EZ's simplified format made our processing easier last year. Check to be sure if you are qualified to use this form.

This is the last year that taxpayers may claim a charitable contribution credit for non-itemizers before phasing out in 1987. See page 5 of these instructions to see if you qualify for this credit.

Read carefully the instructions contained within this booklet before preparing your District return. You should complete your Federal return before preparing your District return.

GENERAL INSTRUCTIONS

Please use the mailing label on the forms sent to you. If you did not receive forms with a label, print or type your name, address and social security number in the space provided. If you do not require that a booklet be mailed to you next year, please check the box provided on the front page of Form D-40 and you will receive only a label to be attached to your 1986 return. Requesting that forms not be mailed reduces government costs.

Married taxpayers who file separately on one form should use Column A for the husband and Column B for the wife. Taxpayers who are single, head of household, married filing jointly or married and spouse is filing on a separate form must use Column B.

Married taxpayers who file jointly or separately on one form must show the Social Security numbers in the same order that they show their first names on the return. If you are married and filing on a separate form, enter your spouse's name and social security number in the space provided next to Filing Status D.

District law requires that your Social Security number be entered in the space provided. Your Social Security number is necessary for proper identification of your account with the District and will be used only for tax administration purposes.

The instructions in this booklet generally assume that you are filing a Federal tax return and instruct you to enter certain items or amounts from your Federal return on your District return. If you are not required to file a Federal return, you should enter items or amounts as if you were required to file a Federal return.

Who Must File a Tax Return

File a Form D-40 if your income exceeds the following amounts:

- \$2,500 for married persons filing jointly; or
- \$1,750 for single persons; or
- \$1,250 for married persons filing separately (\$750, if either spouse itemizes deductions);

and (1) You maintained a permanent home (domicile) in the District at any time during the taxable year; or (2) You maintained a place of abode (lived) in the District for an aggregate of 183 days or more during the taxable year. If the requirements of (1) or (2) are met for less than the full year, you must file a part-year return.

Note: If you do not meet the income requirements, but you are a resident of the District, you should file Form D-40 to request a refund of tax withheld.

Who is Not Required to File a Return

Do not file a return if you were:

- A nonresident of the District.
- Single and received less than \$1,750 gross income during the taxable year.
- Married and filing jointly, and you received less than \$2,500 in gross income during the taxable year.
- Married and filing separately, and you received less than \$1,250 in gross income during the taxable year (less than \$750 if either spouse itemizes deductions).
- An elective officer of the U.S. Government, unless domiciled in the District.
- An employee on the personal staff of an elected officer in the legislative branch of the U.S. Government, and both you and the elected officer are bona fide residents of the same state.
- An officer of the executive branch of the U.S. Government appointed by the President

of the United States, subject to confirmation by the Senate of the United States, and whose tenure of office is at the pleasure of the President, unless you were domiciled within the District at any time during the taxable year.

• A Justice of the Supreme Court of the United States not domiciled within the District at any time during the taxable year.

Note: If you are a nonresident who is not required to file a District return, and District tax was withheld from your wages, use Form D-40B to claim a refund. Form D-40B may also be used to request a ruling with respect to liability for District income tax. To request a Form D-40B, see page 3 of instructions, on How to Obtain Forms. If you are not required to file a tax return, but you are entitled to a property tax credit, file Schedule H (Form D-40) only.

How to File a Part-Year Return

If you were a District resident for less than a full calendar or fiscal year, follow instructions 1 through 4 below. If you and/or your spouse lived in the District for less than a full year and for different periods of time, you must file separate Forms D-40.

- (1) Complete Part I of Form D-40, page 2 by copying the corresponding line by line amounts from your Federal return. Gross income received while a nonresident of the District is subtracted by reporting such income on line 51, Part II of Form D-40, page 2.
- (2) Prorate your personal exemptions and credit for dependents according to the number of months you were a resident of the District. (For the purpose of prorating exemptions and dependents, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month).
- (3) You may itemize your deductions or claim a Zero Bracket Amount prorated according to the number of months you were a resident of the District. (For the purpose of prorating the Zero Bracket Amount, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month). If you itemize deductions, copy your deductions from

your Federal Schedule A or District Schedule A (if you are not itemizing deductions on your Federal return) on lines 59 through 64, Part III of Form D-40, page 2. Subtract the deductions paid during the period of nonresidence in the District on line 67, Part III of Form D-40, page 2.

- (4) Do not claim the property tax credit. This credit is allowed only if the claimant lived in the District for the full twelve months of the year.

When and Where to File

File your return as soon as possible after January 1, but not later than April 15, 1987. Mail it to the Department of Finance and Revenue, Ben Franklin Station, P.O. Box 7861, Washington, D.C. 20044-7861.

Extension of Time for Filing

Copies of Federal extension of time requests are no longer accepted.

If you require more time to file your return, an extension of time may be requested by filing Form FR-127 on or before April 15, 1987. Any balance of tax due, as shown on Form FR-127, must be remitted with the request. **Interest must be paid on any tax which is not paid on time, and is computed from the due date of the return even though an extension of time may be granted in which to file the return.** To request a Form FR-127, see page 3 of instructions on How to Obtain Forms.

Payment of Balance Due

Any balance of tax due must be paid with your return. If combined separate filing is elected, the combined net balance due must be paid with your return. Make your **check or money order** payable to the "D.C. Treasurer." **Do not send cash.** Write your social security number on your remittance.

Penalties and Interest

The penalty for failure to file a return on time is 5 percent of the balance due (combined net balance due, if combined separate filing is elected) for each month or fraction thereof that such failure continues, but not more than 25 percent in the aggregate.

Interest at the rate of one and one-fourth percent per month or portion of a month must be paid on any tax which remains unpaid after the due date of the return. Interest is computed from the due date of the return to the date of payment and applies even though an extension of time may have been granted in which to file the return.

Notice of Charge for Dishonored Checks

A penalty of \$15.00 will be imposed if a check in payment of any obligation due the District of Columbia is not honored by your bank.

Declaration of Estimated Tax for 1987

A Declaration of Estimated Tax is required when an individual anticipates gross income not subject to withholding tax that will result in a tax liability of more than \$100.

Joint or Separate Returns

It is generally advantageous for married couples to file separate returns if each has gross income in excess of \$1,250. They may file separate returns on one Form D-40. Separate returns should include only the income of the filing spouse.

Joint returns must include all income of both spouses. The names and social security numbers of both spouses must be entered in the heading of the return. Both spouses must sign the return.

Combined Separate Filing

If combined separate filing is elected: (1) the husband must report his income in column A and the wife must report her income in B; (2) the names of both spouses must be entered in the heading of the return; and (3) both spouses must sign the return. Do not claim an exemption for the other spouse if he (she) is filing a separate or combined separate return.

Change of Address — If you move during 1987 after filing your 1986 District income tax return, notify the Department of Finance and Revenue of your new home address. This notification should be in writing and should contain the following information:

1. Name(s) under which the return is filed;
2. Address shown on return;
3. Your new address; and
4. Your social security number and, if applicable, your spouse's social security number.

Note: If you have notified your post office of a change of address, your refund check, if you are due a refund, should be forwarded to the new address.

Deceased Taxpayers

If a person died in 1986 or in 1987 before filing a return for 1986, the executor, administrator or surviving spouse must file a return for the decedent. An executor or administrator may elect to file a joint return with the surviving spouse. If an executor or administrator has not been appointed, the surviving spouse may file a joint return and indicate on the return in the designated area the date of death. It is not necessary to prorate

the personal exemption or Zero Bracket Amount of the deceased taxpayer if he (she) died during 1986. If a refund is due, attach Form FR-147. To request a Form FR-147, see page 3 of instructions on How to Obtain Forms.

Surviving Spouse

You may qualify as surviving spouse if you meet all the tests for Federal tax purposes. If your spouse died in 1986, you may file a joint return for the year if: (1) you were entitled to file a joint return at the time your spouse died and (2) you did not remarry during the year. If you are a surviving spouse with a qualified dependent, you may file as Head of Household.

Income Averaging

Income averaging and 10 year averaging rule for lump sum distributions from qualified retirement, profit-sharing or stock bonus plans are not permitted on the District return.

Whole-Dollar Accounting

You may round off cents to the nearest whole dollar on your return and schedules. If you elect to round off, do so for all amounts. You can drop amounts under 50 cents. Increase amounts from 50 to 99 cents to the next dollar.

Attachments to the Return

Fill in applicable items of income, adjustments, tax computation and deductions on the official return form and schedules. If you need more space, attach statements that follow the format of the official forms. Enter the totals shown on the supporting statements on the appropriate lines of the official forms. Be sure to put your name and social security number on any attachments.

Taxpayer Assistance

For general information and the locations of the taxpayer assistance offices, you may call 727-6103, twenty-four (24) hours a day.

How to Obtain Forms

District tax forms may be obtained in Room 1046 of the Municipal Center, 300 Indiana Avenue, N.W., or by calling 727-6170.

A limited supply of general purpose forms will also be available at the District Building, the Main Post Office, and the Martin Luther King Memorial Library. For a list of other tax forms locations, please call 727-6103.

Amended Returns

Form D-40X must be used to correct a previously filed Individual Income Tax Return (Form D-40). Do not file an amended return to provide additional information that has been requested by the Department of Finance and Revenue about any tax return you have already filed. An amended return must be filed if an adjustment was made by the Internal Revenue Service on any Federal Tax return. Amended returns should be mailed separately from your current year return. By filing an amended return as early as possible, you can minimize any accrued interest charges.

SPECIFIC INSTRUCTIONS

Report the husband's income, deductions and exemptions in column A, and the wife's in column B if you elect to file combined separate returns.

Instructions for Page 1, Form D-40 Lines A thru E — Filing Status and Exemptions

Place an "X" in the block which designates your filing status. Married persons not living together must file as single persons. Head of Household status may be claimed if you are eligible for such status on your Federal return. You must allocate the exemptions for taxpayer and spouse together with the exemptions for age 65 or over, or blindness to the taxpayer to whom they relate.

Indicate in the blocks beside your filing status the personal exemptions to which you are entitled. You may claim an exemption for your spouse only if all the income of the

spouse is included on this return or if your spouse had no income.

If you were 65 or over, enter a "1" in the block beside your filing status. If a joint return is filed and both husband and wife were 65 or over enter a "1" in each block under this heading. If only the husband is 65 or over enter a "1" in the block marked "H" or if only the wife is 65 or over enter a "1" in the block marked "W".

If you were blind, enter a "1" in the block beside your filing status. If a joint return is filed, the figure "1" should be entered in the same manner as described above in the 65 or over instructions.

Enter in the space provided the first name and relationship of each dependent claimed on your Federal income tax return. Enter the total number claimed in the block provided beside your filing status. If combined separate filing is elected, the dependents may be split between the husband and wife as they mutually agree.

Add the numbers inserted in the various blocks and enter the total in the block under Number of Exemptions. Multiply the number of exemptions to which you are entitled by \$750 and enter this amount on line 9, Column A and/or B. If this is a part-year return, this amount must be prorated. See instructions for line 9, page 1. It is not necessary to prorate the exemptions of a decedent on a final return.

If you were divorced or married during the year, your marital status on the last day of the taxable year controls.

Line 1 — Total Federal Adjusted Gross Income

This is the total adjusted gross income reported on your Federal return and shown on line 43, Part I, page 2 of Form D-40. Part-year residents must include their entire adjusted gross income on line 1 of the return. Non-resident income will be accounted for in Part II, Modifications to Federal Adjusted Gross Income.

Line 2 — Additions

Enter the total additions from line 47, Part II, page 2 of Form D-40.

Line 4 — Subtractions

Enter the total subtractions from line 58 Part II, page 2 of Form D-40.

Line 5 — Total District Income

Total District income is the amount of income after modifications to your Federal adjusted gross income. Total District income, plus or minus modifications for additions and subtractions, must equal your Total Federal adjusted gross income reported on line 1.

Line 6 — Zero Bracket Amount

Taxpayers may elect to claim a Zero Bracket Amount instead of itemizing their deductions. However, if one spouse itemizes deductions, the other must also itemize and may not claim the Zero Bracket Amount. The Zero Bracket Amount allowed for filing status (A), (B) or (C) is \$1,000. The Zero Bracket Amount allowed for filing status (D) or (E) is \$500. Part-year residents must prorate the Zero Bracket Amount according to

the number of months that they were residents of the District.

Line 7 — Itemized Deductions

Enter the amount from line 70, Part III page 2 of Form D-40, column A and/or B. Taxpayers should not itemize deductions if their deductions are less than the amounts allowable as Zero Bracket Amounts. If husband and wife living together file separate returns, and one itemizes deductions, the other must also itemize deductions. Deductions may be split between husband and wife as they mutually agree.

Line 9 — Exemptions (and Dependents)

Enter in the appropriate columns A and/or B the correct dollar amounts by multiplying \$750 times the number of exemptions claimed. Exemptions must be prorated on a part year return according to the number of months you were a District resident.

Line 11 — Tax

If your taxable income is less than \$50,000 enter your tax from the Tax Table. Use the Tax Rate Schedule if your taxable income is \$50,000 or more. Both the Tax Table and Tax Rate Schedule are included in this booklet.

Line 12 — Credit for Tax Paid Another State

A resident of the District may claim a credit for income tax **required** to be paid, and which was in fact paid, to another state, territory or possession of the United States, or political subdivision thereof on income earned or received from sources within that jurisdiction while a resident of the District. To arrive at the credit use the following procedure:

- (1) Compute your District income tax liability on all income received within and without while a resident of the District
- (2) To compute this credit, first find the percentage which the income subject to tax in the other jurisdiction while a resident of the District bears to the total income received within and without while a District resident.
- (3) You may compute the maximum credit by applying the formula below:

$$\frac{A}{B} \times C = D$$

(A) Is income of any type derived from and taxed by any jurisdiction other than the District. Income derived from, but not taxed elsewhere may not be included in this numerator.

(B) Is your entire adjusted gross income from within and without while a resident of the District.

(C) Is your District tax liability before any other credits.

(D) This is the maximum credit computation. (The allowable credit may not exceed your District tax liability before any other credits, and cannot exceed the tax paid to the other state on income attributable to that state).

Attach a copy of the tax return filed with the other jurisdiction to your District return.

Line 13 — Credit for Political Campaign Contributions

Fifty percent of campaign contributions to District of Columbia political candidates up to a maximum of \$100.00 on a joint return or \$50.00 on all others can be claimed for the offices listed below:

- Electors of the President and Vice President of the United States;
- The Mayor, members of the Council and Delegate to the House of Representatives for the District of Columbia;
- The members of the Board of Education; National committeemen and national committeewomen for the District of Columbia;
- Delegates from the District of Columbia to conventions of political parties nominating candidates for the Presidency and Vice Presidency of the United States;
- Alternates to the officials referred to above, where permitted by political party rules;
- Such members and officials of local committees of political parties as may be designated by the duly authorized local committees of such parties for election at large or by ward in the District of Columbia.

This credit is not allowable if you were claimed as a dependent on another District tax return.

Line 14 — Credit for Child and Dependent Care Expenses

You must meet all the tests and requirements for Federal tax purposes to claim this credit on your District return. (However, married persons may file combined separate returns in lieu of filing a joint return). You must file a joint return or combined separate returns in order to claim this credit. In the case of a return filed for a full year, **the credit entered on line 14 is equal to thirty percent (30%) of the credit allowed on your Federal return. Do not enter the credit directly from your Federal return.**

If you are not required to file a Federal return, or you are filing a part-year District return, you must complete District Form D-2441 and attach it to your return. The credit shall not exceed six percent (6%) of the employment-related expenses that were incurred during the period you were a resident of the District. To request a Form D-2441, see page 3 of instructions on How To Obtain Forms.

Line 17 — District Tax Withheld

Enter the total amount of District income tax withheld during 1986 and attach the District copy of all W-2 Forms or other approved substitute withholding tax statements to your return.

Line 18 — District Estimated Tax Paid

Enter the amount of any 1986 estimated tax payments. If a joint 1986 estimated tax return was filed, the husband and wife may divide the estimated tax paid between them, or either may claim the total amount paid.

Line 19 — Payments Made with Extension of Time to File

If Form FR-127 was filed to request an extension of time to file, report the amount paid with that request.

Line 20 — Property Tax Credit

Enter the amount of any property tax credit to which you are entitled from either line 9 or line 14, Schedule H. The credit may not be split between column A and B. See detailed instructions for Schedule H.

Lines 22, 23, 24 and 25 — Balance Due or Refund

If the total of your net tax on line 16 is more than your payments and credits on line 21, enter balance due on line 22. This amount should be paid in full with your return unless combined separate filing is elected. If combined separate filing is elected, see instructions for lines 26 and 27.

If the total of your payments and credits on line 21 is more than your net tax, line 16, enter overpayment on line 23. **You must enter on line 25 the amount of overpayment you wish to have refunded to you.** The amount on line 25 will be refunded unless combined separate filing was elected. If combined separate filing is elected, see instructions for lines 26 and 27. Enter on line 24 the amount of overpayment you wish credited to your 1987 estimated tax. If combined separate filing is elected, and if you are filing joint 1987 estimated tax vouchers, check the box on line 24.

Lines 26 and 27 — Combined Balance Due or Refund (Filing Status (E) only)

Husband and wife who elect to file combined separate returns are the only persons who should complete these lines. The balance due or refund of one spouse must be combined with the balance due or refund of the other spouse. For example:

- (1) If the husband has a balance due of \$50 (line 22), and the wife is due a refund of \$100 (line 25), the amounts should be combined. In this case the result is a net refund of \$50. Therefore, the husband should not send a check for the amount shown on line 22.
- (2) If the husband has a balance due of \$80 and the wife is due a refund of \$40, the amounts should be combined. In this case the result is a net balance due of \$40, and a check or money order for \$40 should be sent with the return.
- (3) If both have a balance due on line 22, combine the amounts and enter combined net balance due on line 26. Send one check for combined amount.
- (4) If both have a refund due on line 25, combine the amounts and enter combined net refund on line 27. One refund check will be issued for the combined amount.

Instructions for Page 2, Form D-40 PART I INCOME AND ADJUSTMENTS FROM FEDERAL RETURN Lines 28 thru 41

These lines are a summary of the items which make up your Federal income as

reported on your Federal income tax return or which would have been reported had you been required to file a Federal income tax return. List on each corresponding line in column A and/or B the amount of each item included on your Federal return. Taxpayers filing combined separate returns and using columns A and B should report income as though separate Federal returns were filed.

If you carried on a business in the District and your gross receipts were \$12,000 or more for the year, you must also include such income on an Unincorporated Franchise Tax return (Form D-30), even though it is reported on line 33. (See instructions for Form D-30). To request a Form D-30, see page 3 of instructions on How To Obtain Forms.

Net Operating losses may be deducted only to the same extent and for the same year as reported on the Federal return. If a portion of a NOL is carried to years prior to 1982 for federal purposes, such portion is not recoverable on a D.C. return.

Line 42 — Adjustments

You may deduct items reported on your Federal return such as marital deduction, employee business expense, moving expenses, alimony or separate maintenance payments, and Keogh, IRA and similar individual retirement account contributions. The various items of adjustment are listed in the Adjustments To Income section of your Federal tax return (1040).

PART II MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

In order to arrive at Total District Income, certain modifications may be needed. These should be reported in Part II.

ADDITIONS:

Line 44 — Marital Deduction

If the Marital Deduction was taken on your Federal return as an adjustment to gross income, it must be entered here.

Line 45 — Unincorporated Business Capital Gain Differential

Enter sixty percent (60%) of your share of capital gains reported on a District Unincorporated Business Franchise Tax Return (Form D-30). Gains on the sale of assets by unincorporated businesses are subject to District tax on 100% of such gains while for Federal tax purposes the individual owner would be subjected to tax on 40% of the gain. If there is a net loss, an adjustment is not required.

Line 46 — Other Additions

Report on this line (1) the amount of adjustments that were taken on line 42, Part I, that were for the period of nonresidence for part-year filers; (2) the deduction taken for franchise taxes paid in computing business income on line 33 and your share of the deduction taken for franchise taxes paid in computing the income derived from rents, royalties, partnerships, estates, trusts, etc., on line 36; (3) the distributable share of net income from Profes-

sional Corporations whose fiscal year began before January 1, 1986 and ended during 1986. (For years beginning after December 31, 1984, Professional Corporations other than S Corporations, are taxed in the same manner as other corporations). (4) Ordinary income and 40% of capital gains portion of lump-sum distribution from a Qualified Retirement Plan, as reported on Federal Form 4972; (5) other items required to be added to Federal adjusted gross income.

SUBTRACTIONS:

Line 48 — Interest on U.S. Obligations

Enter interest and dividend income on obligations or securities of the United States, its agencies or instrumentalities, which was included on your Federal return and reported in Part I of the District return.

Line 49 — Contribution Deduction

A taxpayer who does not itemize deductions may deduct charitable contributions on this line. Attach schedule.

Line 50 — State and Local Refunds

If you included refunds of State and Local income taxes on your Federal return and they were reported on line 31, Part I of Form D-40, they should be entered on line 50.

Line 51 — Nonresident Income

Enter income which was included on your Federal return that was received by you while you were not a resident of the District.

Line 52 — Social Security Income

For tax year 1986 a certain amount of Social Security income may be taxable on your Federal tax return. However, such income is not taxable for District purposes. If you included Social Security income in Part I of Form D-40, you should enter that amount on line 52.

Line 53 — Disability Income Exclusion

The Disability Income Exclusion is no longer allowed as an adjustment to income on the Federal tax return. For Federal tax purposes, Disability income exclusion has been eliminated in favor of a credit computed on Schedule R (Credit for the Elderly and Permanently and Totally Disabled).

For District tax purposes, the Disability Income Exclusion is treated as an adjustment to income. If Disability payments were included in your Federal gross income, you may be able to claim an exclusion on your District return by completing Form D-2440 and listing the excludable amount on line 53. Specific instructions are contained on Form D-2440.

Line 54 — Income Reported and Taxed on District Franchise or Fiduciary Return

If Part I, page 2 of Form D-40 includes income which was also reported and taxed on a District Franchise or Fiduciary tax return, enter such income.

Line 55 — District Lottery Winnings

District Lottery winnings are not taxable on a District return. This amount may be subtracted if it was included on your Federal return. Note: Other types of gambling winnings are taxable on a District return.

Line 56 — Pension and Annuity Income Exclusion

For tax year 1986, Federal and District of Columbia retirees who were age 62 years or older on or before December 31, 1986 may exclude \$3,000 from the gross amount of their pension or annuity that was subject to District of Columbia income tax. Any amounts not subject to tax must be subtracted when computing the exclusion. Use the computation schedule below to figure the exclusion.

Line 57 — Other Subtractions

Other items required to be subtracted from Federal adjusted gross income should be entered. Wages received by shareholders of Professional Corporations whose fiscal year began prior to January 1, 1986 and ended during 1986, should report here. Wages received for periods subsequent to the end of such fiscal year are not excludable. (See line 46).

PART III ITEMIZED DEDUCTIONS AND DISTRICT ADJUSTMENTS

Lines 59 thru 64

If you itemize deductions on your Federal return, copy the amounts claimed on your Federal return on the appropriate lines of column A and/or B. Enter the totals on line 65, column A and/or B and column C. Married persons filing combined separate returns may split such deductions on column A and B as they mutually agree.

If you do not itemize deductions on your Federal return, but elect to itemize on your District return, you must complete and attach Schedule A, Form D-40 and enter such totals on Part III.

Line 66 — State and Local Income Taxes

Report State and Local Income Taxes that were included on line 60.

Line 67 — Deductions During Period of Nonresident Status.

Report those itemized deductions paid while a nonresident of the District and included on Lines 59 through 64.

Line 68 — Contribution Carryovers

Enter contribution carryovers resulting from contributions paid in any year prior to January 1, 1982 that were included on line 62.

INSTRUCTIONS FOR SCHEDULE H (FORM D-40)

PROPERTY TAX CREDIT

If you qualify for the property tax credit, and if you are required to file a District Individual

Income Tax Return, Form D-40, attach completed Schedule H to the return. If you are not required to file a District Individual Income Tax Return, and you qualify for the property tax credit, Schedule H should be completed and filed by itself.

If only Schedule H is filed, District law requires you to furnish your Social Security number in the space provided on Schedule H. This number will be used for proper identification of your account with the District and will be used only for tax administration purposes.

Who May Qualify

You must meet all of the following conditions to qualify for the Property Tax Credit.

1. You must own or rent the home you occupy in the District for the full twelve months of 1986.
2. Your Household Gross Income must have been \$20,000 or less during 1986.
3. If you were not 65 or over before December 31, 1986, you must not have been claimed as a dependent on anyone else's 1986 Federal, State or District income tax return.
4. The house or apartment which is your home must not be part of a Public Housing Project.
5. IF YOU ARE AGE 62 OR OLDER, BLIND, OR DISABLED, you may use Property Tax Table B only if you, together with your spouse (if married), provide 50% or more of the Household Gross Income. Persons blind or disabled do not have to meet this 50% test.
6. If you resided in the District for a part of the year or died before December 31, 1986, you do not qualify for property tax credit.

How To File

Your claim for property tax credit, Schedule H, must be attached to your 1986 District income tax return, Form D-40, if you are required to file a 1986 District income tax return. If you are not required to file a 1986 District income tax return, Schedule H (Property Tax Credit Claim) may be filed by itself. If filed by itself, it should be filed by April 15, 1987. If filed with your District income tax return, it should be filed by April 15, 1987. However, a reasonable extension of time may be granted. See Extension of Time for Filing in General Instructions for Form D-40.

File your Schedule H at the time you file your tax return. Filing a separate Schedule H after you have previously filed a tax return could delay your refund.
